WELCOME INTRODUCTION

Dear EDULEARN14 participants,

It is truly a pleasure to welcome you all to EDULEARN14.

Today, we have the privilege of bringing together participants from more than 80 different countries. This will provide a platform for you to network with other colleagues and learn from diverse views in the field of education and e-learning. In one single place, you will be able to listen to delegates from all over the world, establish new partnerships and present your projects in a multicultural atmosphere.

During this conference, many different educational topics will be addressed by international experts. We encourage you to get the most out of this occasion and to discover some of the latest educational innovations that will be presented in the conference sessions.

Also, make sure to take some time to discover the wonderful city of Barcelona, its cultural offer, sandy beaches and local gastronomy. Without doubt, Barcelona will be the best complement to your conference experience.

Thank you for coming to EDULEARN14 and for contributing with your valuable experiences.
