WELCOME INTRODUCTION

Dear INTED2010 participants,

It is a great honour to welcome you to this forth annual edition of INTED2010 (International Technology, Education and Development Conference).

The main aim of this conference is to provide an international forum, counting with experts in different fields and disciplines from more than 60 countries who will present and discuss the latest innovations in education, technology and development.

With the presence of more than 400 attendants, INTED2010 also aims to be a social platform and a great opportunity for networking, which makes this experience more interesting for its international and multicultural atmosphere.

Valencia, venue of this conference, will provide you with the opportunity to discover a city with impressive architecture, interesting museums, lovely beaches and a varied cultural offer that will make your stay unforgettable.

Thank you very much for coming to INTED2010 and for contributing to the improvement of Education with your projects and experiences. We wish you a fruitful conference!
